

**NOTICE
POSITION OPENING**

EQUIPMENT OPERATOR II

The City of Camden, Arkansas, is accepting applications for the position of Equipment Operator II in the Street Division of the Public Works Department. The Equipment Operator II is involved in responsible work in the operation of medium and heavy-sized construction equipment.

The Equipment Operator II is under the direction of the Street Foreman and is expected to operate medium and heavy construction equipment with complex controls that requires a relatively high degree of skill and manipulative ability such as a dozer, track hoe, front-end loader, grader, and other comparable equipment. May also operate lighter equipment such as backhoe, dump truck and related equipment as assigned by Supervisor. Employees in this class may supervise lower level laboring personnel on a job assignment basis.

Qualified individuals must have completed high school or equivalent and have vocational training or equivalent in the operation and maintenance of medium and heavy construction equipment or two years of paid full-time experience as an Equipment Operator I. Candidates must have considerable knowledge of the operation, maintenance, adaptabilities, limitations and safety precautions of assigned equipment. Candidates must possess a valid Class "A" Commercial Driver's License (CDL).

Pay range is \$11.98 - \$12.45 per hour, 40 hours per week, plus a full fringe benefit package is included. Health and life insurance premiums for the employee are paid in full by the City of Camden.

Applications for this position will be accepted until 4:00 p.m., on Friday, April 15, 2011.

Interested persons may obtain an Application for Employment form from the City Clerk's office located in the Municipal Building, 206 Van Buren Street, Camden, AR 71701 or online at www.camden.ar.gov.

The City of Camden is an EOE
